

What other culturally specific housing programs exist in the Metro?

MIWRC - Hennepin

Avivo Tribal Housing Support programs (just to be in writing too)

Isuroon

CLUES

Casa de Esperanza

What should we look at adding to our prioritization in order to address the needs of communities most impacted, esp. Black and Native communities?

Could lack of training/ job skills be considered?

I've seen other CoCs using questions pertaining to being in out-of-home care as a child and/or criminal background

doubled-up is prevalent with persons of color

targeted outreach helps identify population

What about some of the questions in the FHPAP MPAT?

Have you ever held your own lease? For Kristen ;-)

Honing in on eviction actions in addition to crim. histories

Not focusing on length of homelessness solely but episodic homeless -- it gets to a longer pattern of instability

FHPAP MPAT its a question about experiencing trauma from an institution/system

What should we look at adding to our prioritization in order to address the needs of communities most impacted, esp. Black and Native communities?

disability question might be No on assessment, despite possible disability

Hennepin uses zip code data frequently (55411 and 55412 are then targeted). Could be a possibility?

zip code of last housing

This is asked in step 3, so a local priority. Does any household member identify as an ethnic, cultural or racial minority group that has historically experienced unfair treatment in the provision or administration of public benefits or services?
