

Before Starting the Project Listings for the CoC Priority Listing

The FY 2019 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2019 CoC Program Competition NOFA.

The FY 2019 CoC Priority Listing includes the following:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2019 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the CoC Bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2019 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- YHDP Project Listing – lists the eligible YHDP renewal project for the CoC that must be approved and ranked or rejected by the CoC.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new, renewal, and YHDP projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2. Reallocation

Instructions:

For guidance on completing this form, please reference the FY 2019 CoC Priority Listing Detailed Instructions and FY 2019 CoC Priority Listing Navigational Guide on the HUD Exchange at <https://www.hudexchange.info/programs/e-snaps/>.

2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2020 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2019 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$264,294				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
Anoka County COC ...	MN0068L5K031710	PH-PSH	\$264,294	Regular

3. Reallocation - Grant(s) Eliminated Details

Instructions:

For guidance on completing this form, please reference the FY 2019 CoC Priority Listing Detailed Instructions and FY 2019 CoC Priority Listing Navigational Guide on the HUD Exchange at <https://www.hudexchange.info/programs/e-snaps/>.
Submit technical question to the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/program-support/my-question/>.

*** 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2019 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2019 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

Eliminated Project Name: Anoka County COC 2017

Grant Number of Eliminated Project: MN0068L5K031710

Eliminated Project Component Type: PH-PSH

Eliminated Project Annual Renewal Amount: \$264,294

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

The CoC has been working closely with the project administered by Metro HRA since 2017 to improve performance and work through project design issues. During this process it was identified that most of the participants receiving services through this program no longer required a PSH level of service. Metro HRA notified the CoC of these circumstances prior to the 2019 local NOFA competition process. Metro HRA voluntarily reallocated the full grant amount and worked with the CoC to identify a transition plan for all existing project participants. All project participants will be transitioned to HCV. This has allowed a new service provider to design a program that fits within the written standards of the CoC. It will create capacity for 21 new Chronically homeless households within the region.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2019 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$22,100					
Reduced Project Name	Reduced Grant Number	Annual Renewal Amount	Amount Retained	Amount available for new project	Reallocation Type
Permanent Housing...	MN0194L5K031708	\$218,928	\$196,828	\$22,100	Regular

4. Reallocation - Grant(s) Reduced Details

Instructions:

Submit technical question to the HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/program-support/my-question/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2019 reallocation process. Collaborative Applicants should refer to the FY 2019 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Permanent Housing for Chronic Homeless

Grant Number of Reduced Project: MN0194L5K031708

Reduced Project Current Annual Renewal Amount: \$218,928

Amount Retained for Project: \$196,828

Amount available for New Project(s): \$22,100
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The Ranking Committee identified this project ranked in Tier 2 and has returned approximately 25% of their grant the past 2 years. The Ranking Committee chose to reallocate a portion of that project during the ranking process so it would not straddle the Tier 1 line but fall entirely into Tier 2.
