

True Colors Inclusion Assessment Webinar

Friday, March 29th, 1-2PM CST

We believe that everyone has a role in addressing lesbian, gay, bisexual, transgender, queer, and questioning (LGBTQ) youth homelessness, and that we are all always learning and improving. The True Colors Inclusion Assessment process was developed with those beliefs in mind. It enables service providers to assess their current level of LGBTQ-inclusive and affirming practices.

Join us on **March 29th from 1-2pm CST** for a webinar that will introduce organization executives to the assessment process.

**** Please note that this webinar is intended for folks who can decide to move forward with the assessment process at their organizations.****
